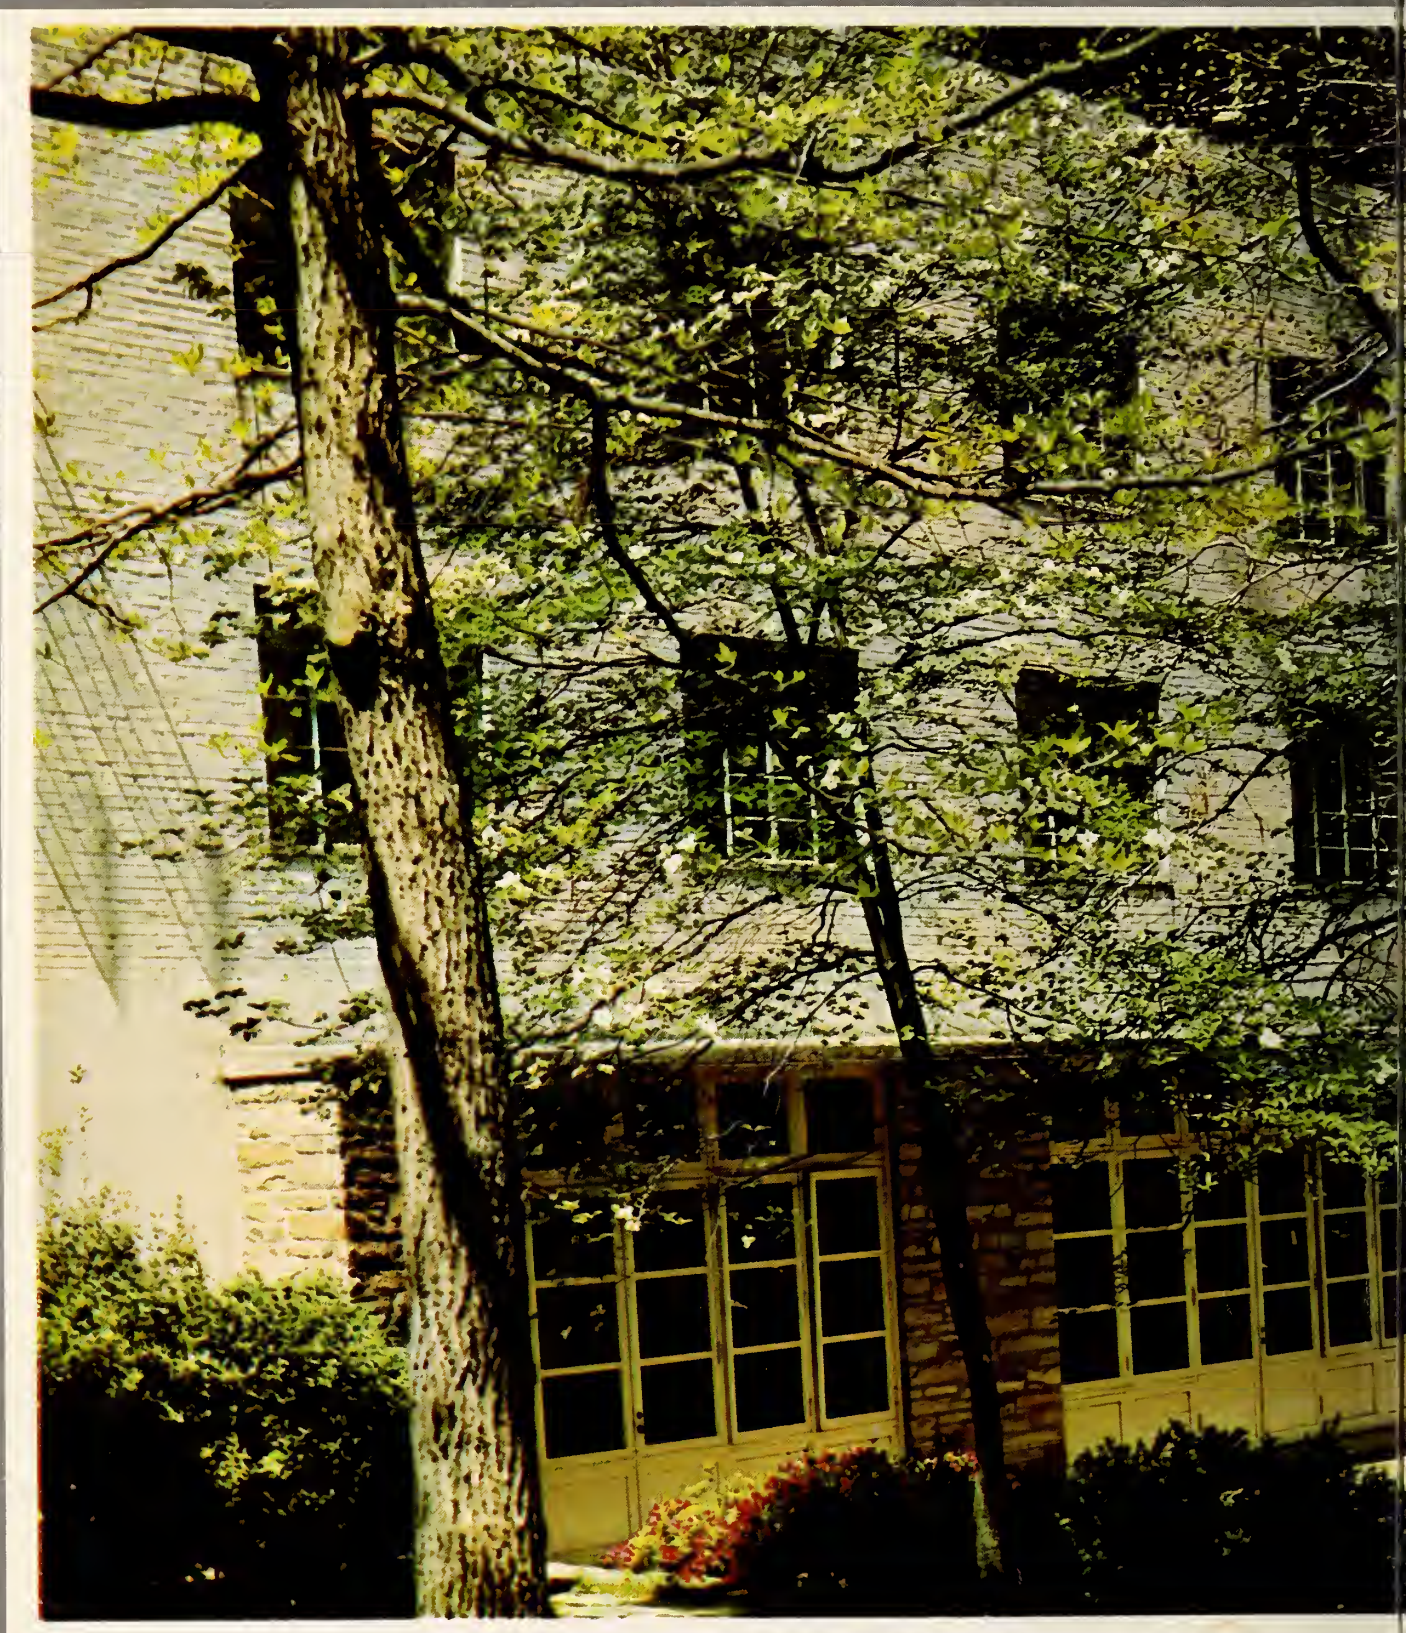
THE NIGHTINGALE

Published by
THE SENIOR CLASS
Nineteen Hundred and Sixty-Two



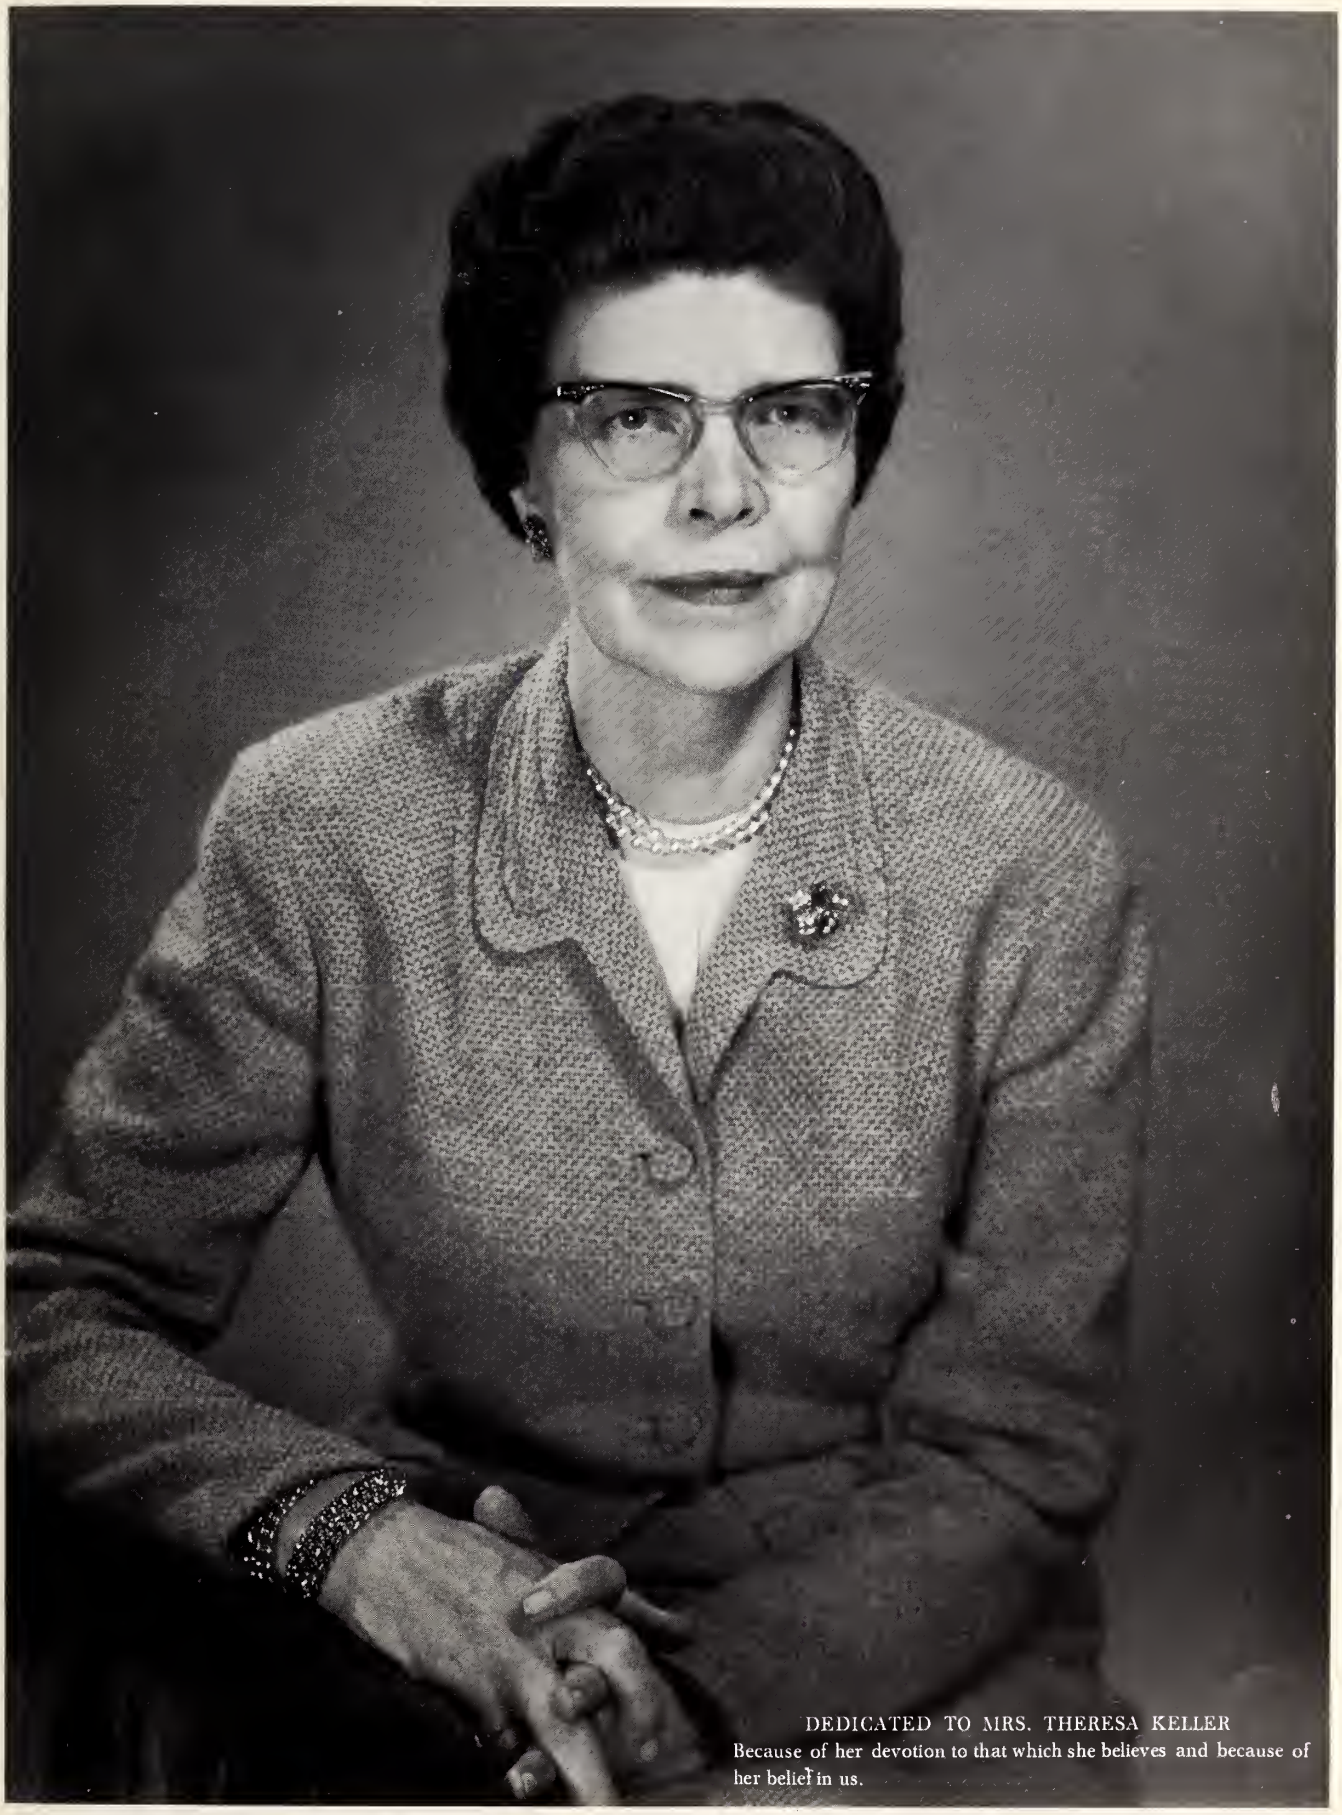
Our home away from home

To-day Im a nurse—it seems but a dream
I can hardly believe that it's true
My training is done—I have come to the end
And my first grateful thought is, of you.

You, my parents, who helped me so much on the way;
You whose love and whose faith was so strong.
Yours the kindness, the courage, the praise that was there
In times when the way seemed so long.

I know that you're proud, today as you see
Your nurse—just so late your wee tot,
But my pride in you rings as strong in my heart.
God love you—and bless you a lot.

This is only a verse—just a "Thank you" in rhyme
But its accents are happy and glad.
For it tells of the love that in gratitude comes
From a graduate nurse to her Mother and Dad.



DEDICATED TO MRS. THERESA KELLER

SANTA FILOMENA is a National honorary group for Student Nurses recognizing achievement and promoting leadership. Members are tapped once a year. Not only is scholarship important in the choosing of these students, but also the ways in which they have proven themselves outstanding nurses. At the Banding ceremony each August, a small gold pin is presented to each new member in recognition of their very exceptional bedside nursing. The purpose of this organization is to promote better nursing and higher nursing standards.

This organization was begun in February, 1957, and has proven to be an important element in providing a well rounded program for student nurses. Monthly meetings are held and the entire student body is invited to attend, at which many varied and interesting programs are available.

A highlight of the year is the summer state-wide conference, at which time students from the various schools throughout the state convene and share ideas and projects.

THE ANGEL OF PATIENCE
John Greenleaf Whittier

To weary hearts, to mourning homes
God's meekest angel gently comes:
No power has he to banish pain,
Or give us back our lost again;
And yet in tenderest love, our dear
And Heavenly Father sends him here.

There's quiet in the angel's glance,
There's rest in his still countenance!
He mocks no grief with idle cheer,
Nor wounds with words the mourner's ear;
But ills and woes he may not cure
He kindly trains us to endure.
